## Objective

---

Motivated and enthusiastic student of Bachelor of Technology specializing in Information Technology, with a strong foundation in software development. Experienced with various programming languages and environments. Seeking an internship opportunity to apply my technical knowledge and problem-solving skills in a practical environment and Aspiring software engineer currently pursuing bachelor's Information Technology.

## Education

---

<b>CMR Engineering College   Bachelor of Technology</b>	<b>2022-2026</b>
Major: Information Technology   CGPA: 9.14/10	
<b>Narayana College   Intermediate (State Board)</b>	<b>2020-2022</b>
Major: MPC   CGPA: 9.58/10	
<b>Vijay High School   SSC</b>	<b>2019-2020</b>
CGPA: 10/10	

## Skills & abilities

---

**Programming Languages:** C, C++, Java | **Web Development:** HTML/CSS(Basics)

**Database Management:** MySQL | **Operating Systems:** Windows.

**Development Tools:** Visual Studio Code, Power Bi, Google colab.

**Soft skills:** Communication, Teamwork, Time Management, Problem solving

## Projects

---

**Gas leakage detection and Automatic electronic off system:** Implemented using sensors in order to control explosions due to gas leakages.

**Supermarket sales:** Analyzing the sales data set with help of the Artificial Intelligence algorithms using the Python packages pandas and numPy in google colab.

## Training&Certificates

---

- Got Certification for completing Web Design & Development by Skill India digital, govt
- Got Certificate for completion of Java and Python Training from Spoken Tutorial, IIT Bombay
- Got Certification for completion of fundamentals of cybersecurity(EDU-102) zscaler.
- Got Certificate for completion of Virtual Internship program on Data Visualization using power bi by Forage (TATA).
- Got Certification for completing Smart Coder for phase1 & phase2 by Smart Interviews.

## Languages

English, Telugu, Hindi.
